Derby Sprint: A sprint event of three laps with a maximum of six (6) or seven (7) riders, hand held on the front straight by handlers on the pursuit line. A whistle will be blown to start the race.

Tempo Race: Roll out from the back straight or front depending on track protocol, 2 laps to settle the field. A whistle will be blown to start the race after 2 Laps, riders must stay together for the first two laps, neutral. Sprint every lap with the winner receiving 1 point. Any rider lapping the field will be awarded 10 points. No double points for the winner of the last lap.

Points Race: Standard points endurance race with sprint points awarded every **four (4)** laps. A maximum of 24 starters in each race. Roll out from the back straight or front depending on track protocol. Whistle blown to start race. No double points for the winner of the last lap.

Mystery Lapper: It could be one Lap or it could be 40 Laps, it's the Chief Commissaries' call when the race is underway. No prior-warning as to the distance of the race will be given. Riders will get a whistle with two laps to go. Bell will ring with one lap to go.

Scratch Race: Standard scratch race with a maximum of 24 starters in each race. Roll out from the back straight. Whistle blown to start race. Laps between 12 and 25 depending on age group.

Keirin Race: 6 laps behind a motor bike at set speeds with the motor bike retiring at the start-finish line with two (2) laps to go. Riders are held and released by the handler when the whistle is blown.
